Office: Iron County Commission "A"

E-mail address: scottforcommissioner@yahoo.com

Age: 65

Occupation: Farmer, Mechanic

Residence: Parowan, Utah

Years at residence: 61 years

Qualifications:

If elected, I will be bound to support, obey and defend the United State's Constitution and the Utah Constitution. With uppermost love and respect for these two Constitutions, I cannot violate your rights without violating my own.

The Utah Prairie Dog (UPD) was listed over thirty-six years ago, by the Endangered Species Act (ESA), depriving residents of life, liberties, and property. Through my years of research and studying, I believe, there is overwhelming evidence the UPD is not recoverable, a public health risk, violates the ESA, and the citizens rights vouchsafed by the Constitutions.

I am opposed to Federal and States subsidies. Thomas Jefferson said: "...To preserve our independence, we must not let our rulers load us with perpetual debt...if we can prevent the government from wasting the labors of the people under pretense of caring for them, they will be happy..." remember; "a borrower is a servant to the lender." Governments have robbed us through taxation, loaned it back through subsidies, enslaving us. If individuals want to take a subsidy, it is their right and theirs alone, I cannot place this burden on any citizen within the county.

If you share these views, I would appreciate your vote on November 2, 2010.
